

The Pretrial Justice Institute (PJI) is centering racial justice as the foundation of our vision, mission and work to advance pretrial justice in order to end mass incarceration. This document may contain language choices or recommendations that are no longer aligned with this vision, but it remains in the UP library because of technical, subject-matter or historical merit.

Pretrial Justice Bibliography

The Pretrial Justice Institute, in collaboration with members of the Pretrial Justice Working Group, has attempted to compile an exhaustive bibliography of publications related to pretrial justice. If you notice we are missing an important publication or you know of a new item to add to the bibliography, please let us know by emailing Bryan Taylor (bryan@pretrial.org).
